

LANGSTONE

RESIDENTS' ASSOCIATION

Invitation to join the LRA 2024-25

Langstone Residents' Association keeps a watching brief on matters that affect Langstone and alerts you to those. Our aim is to maintain and enhance the area in which we live. The LRA currently has a membership of around 300 households.

There are several ongoing issues such as monitoring:

- Traffic issues
- Coastal Defence proposals
- Havant Thicket Reservoir
- Potential plans for Southmere Field development,
- Restoration of the coastal path,
- Partnership for Clean Harbours etc.

The LRA Committee meets regularly and we maintain links with other local Associations. Subscribers receive information by e mail which is of interest to residents and about local events.

At the May 2024 AGM it was agreed that the subscription fee remain at £2 per household. There is no immediate demand for funds to provide a new amenity or address an unwanted planning application. However, should there be such a need during the year, we give notice that we would invite further contributions from our members for that cause.

The LRA complies with GDPR and Its policy is available on our website:
Langstone.org. Home, General, Privacy Notice

If you wish to subscribe to the LRA please pay your subscription fee.
Fee £2, some residents choose to give £5, we count the balance as a donation.
By paying your subscription you are confirming your consent to the storage of your personal information.
