

## INVITATION

The **ANNUAL GENERAL MEETING** of the Langstone Residents' Association will take place on Thursday 10<sup>th</sup> May 2018 at 7:00pm. The venue will be Bosmere Junior School, South Street, Havant. Kindly make a note of the date & time and please try to attend.

The **AGENDA** will follow the usual format of Reports on last year's business, but the particularly important issues will be the Election of Committee Members and Officers (there is a need for 'new blood', a webmaster and volunteers are requested), and an update on the withdrawn planning application at Southmoor. The proposed creation of an inter-tidal habitat cannot be funded by the Environment Agency, so the problem of the breached sea wall remains unresolved.

If you have a specific query please contact a committee member.

p.s. The spate of thefts in Langstone continues. Please be on your guard. Do not leave valuable articles on public view and lock all doors and outbuildings.
